the southern European audience. TAA Industries' large animatronics were particularly impressive. A gigantic mythical creature stood up to greet every visitor entering the main hall. Udo Weissenburger from TAA also presented an interesting Dracula-themed darkride. According to Weissenburger, „no park has yet incorporated such a theme“. There was already a debate raging behind the scenes about the rollercoaster project for the Erlebnisswelt Nürburgring (world of adventure), which will be carried out by S&S (please note EAP-Newsletter of 01/31/08). The Gran Scala project, already announced at IAAPA in Orlando, was
